Saturday night saw parents, staff, friends and founders of Cedar Integrated Primary School coming together for a beautiful night of music and dancing within the tipis of Fodder, Finnebrogue Woods.

The Parents' Council have been extra busy this year and our "Takeover the Funky Wigwam" night followed many other school events this year including our Spooky Halloween trail, Santa's Grotto, and our sell out Movie Night at Fodder.

Chairperson of the Parents' Council Clare Osborne said, "It's fantastic to see our school community and friendships grow whilst raising vital funds for the school."

"We'd especially like to thank Laura Bayley at Fodder Farmshop & Cafe for generously sponsoring the event. As a parent of three kids at the school, she has gone the extra mile to support our events this year!"

"Thanks also goes to team of Parents' Council volunteers and school staff who worked so hard to create such a special event".

Saturday's event heard music by two past parents from Cedar, Erin K Hill and DJ Jim Martin, along with talented funk trio, The Living Groove.

The raffle on the night was generously supported by The Kitroom, The Nailbar and also Costcutters of Crossgar, and the groovy outdoor bar was kindly provided by Denvir's Bar Downpatrick.

Cedar's final fundraiser this year, a Classic Car Show & Family Fun Day, is on Saturday 11 May and kicks off on the school grounds at 11.30am.
