

Cedar News April (3) 2024

Drop Off

There is a Drop Off Zone in front of the main school building. Please do not park in the Drop Off Zone as it restricts the number of spaces available for other parents and putting our young pupils at risk.

It is great that many friends have a chat in the morning but again this is restricting the number of spaces for other parents. Thank you for your patience and support.

How can you best support the pupils at Cedar? Two fantastic events planned by our Parents' Council. This Saturday night why not opt for an unique night with all types of music at Fodder and dance the night away. Another date for your diary is Saturday 11th May with our Classic Car Show. Have you or someone you know the proud owner of a classic vehicle? We would love you to come and let us all enjoy this family event.
