For the attention of all drivers.

Please follow the guidelines for our traffic system. Please don't park outside the school gates, this causes poor visibility for children crossing and blocks the two-way traffic coming to and from the pitches! Please also ensure that you are not blocking the roundabout when cars are trying to come onto the school site. Do not park on the double yellow lines. Some drivers are unaware that they are causing the traffic to back up. Please show proper consideration for other drivers. If someone else is picking up your child(ren), please explain the traffic system, to save them the embarrassment of other drivers hooting at them or staff approaching them.
